

Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Intelligence School

DATE: 25 July 1956

FROM : Chief, Administrative Training Branch

SUBJECT: Weekly Report, 17-24 July 1956

1. Administrative Procedures #67 ended on Friday, 20 July.
2. Operations Support #22 began on Monday 23 July with 27 students.

3. There were numerous requests for portions of the Operations Support training. As previously mentioned most of these requests after being analyzed were turned down as the individual student benefit was not sufficient to warrant the disrupting influence on the entire class. Two students of the group requests were accepted, with the proviso that their offices be told of the difficulties encountered by students coming in the middle of the course.
